**us99** This one is based on a radio station and is open to everyone. I love this one because they have tons of great prizes such as movie passes, dvds and gift certificates. It is very simple to gain points and then redeem those points for prizes like the ones I previously mentioned. You can earn those points by listening to their radio station, visiting sites, predicting winners, referring friends, taking surveys etc; there are about 10 different ways.

**Survey Savvy** Flexible site because you will be paid whenever you request payments. They also have drawings available to all members for top prizes. You'll be awarded \$3 for each survey a member takes plus \$2 for surveys taken by direct referrals and \$1/survey for indirect referrals.

**Kiwibox** This one doesn't exactly offer money but it is the most fun for teens. You get points by refferals, posting, signing up for free things, visiting websites, emailing etc. You can redeem points for backstage passes, concert tickets, make up, cell phones, stickers, xboxes, dreamcasts, playstations, cds, dvds, dvd players....you get the picture. You can also take surveys and sign up for fun kiwibox jobs. Check this one out if you are a teenager
