

# Virtual Cards

## Virtual Set #2

To use these cards, simply print them out and cut out the area beneath the card title, and place the cutout in a sleeve with the original card. We recommend using opaque sleeves. If you use clear sleeves, the cutout must be attached to the original card using tape or some other adhesive so the cutout does not slide. The adhesive must not be visible and must not noticeably increase the thickness of the card, if it does, the tournament director may interpret that as cheating and penalize you appropriately.
