Finally the revelation must be revealed... after two years of of keeping it secret from the public.

It all first happed as a dream, when the Rabi-Malak, Michael, my fellow friend, came to to visit me again with a message from Yahwah. During this time I had been encouraged by some Hebrew Brothers to move to Ghana with my family and establish a community there to be an inspiration to the African Continent. I prayed to Yahwah and sought them concerning the matter as I truly wanted to go and leave this forsaken country...Well Michael told me to go south....at first I didn't understand why south?...what happened to east, especially Yisrael.. He again told me to take me and my people and prepare to flee south at the command.. to where? I asked... He told me to the Mayans ruins in Belize. At this time I never heard of a place called Belize. He then said I would receive signs from those around me concerning the country and that I would get connections and much info about the county... He then said that the count down was about to happen very soon in near future...The count down to human tragedy and that I must prepare and that Samael and his host would seek an assault to discredit me and destroy everthing around me to prevent me from preparing...As many know this came true....

Shortly after this an older Hebrew elder of mine began talking about moving to Belize and then I began to meet people either from belize or knew somebody there.. this happend for almost a year with me desiring to go here but not understanding why here and not Africa or Yisrael?

Then It finally happened. At the end of 2002, on a Shabbat before I began to conduct Torah Studies, I was sitting and meditation, my Ishah was in the room. When a thick cloud covered the room and a strong presence filled the place.. then I heard several voice identify themselves as "the" Ancestors... I was puzzled with raised I brows because I didn't believe in the concept of Ancestors coming back to speak to you from the next world. This even posed a problem for me at one time with Ben-Ammi's book Everlasting life concerning calling upon your Ancestors.. I was raised to believe these were familiar spirits....But here I was, experiencing an awesome presence and hearing plain and clear the voices identified as the ancestors. Then another voice identified itself as the Ruach Qodesh the Holy Ema of Creation, and said that this was for real and that I should listen to them...then I felt a strong presence of fear as they began to talk. They began to speak firmly and bodily yet in a still calm voice concerning my actions and my ways.. the told me that I had forgotten who I was and millions of peoples blood are upon my hand lest I repent...the told me that I had compromised the Truth the Eternal Yahwah by teaching from ways and books of men and teaching from the traditions of a false Torah and corrupt book when I knew the truth and yet bowed down

to please the flesh of religion. They told me that after all they had revealed to me throughout my life I had quenched the spirit and had become flesh and reduced down to a mere Kohane(Priest) and put aside my prophetic mantle....They told me that my silent prophecies being converted into simple shallow teachings had deceived the people and prevented them from hearing the Prophetic revelation of the Yahwah!!! And that my allowing bad spirits around me had blocked the flow of anointing..... they warned me harshly, as I trembled with tears streaming down my face...my spirit completely dumbfounded and silent....They told me to get it right or face death and eternal separation from Yahwah and who I really am...

Then they said that Yahwah has heard the prayers of the millions of souls who had been slain throughout the generations by those who have oppressed, murdered and enslaved the indigenous peoples of the earth.. He has looked under the alter and has granted the request for the ancestors to return and take revenge on the oppressors and violators of the Earth. They said that now has the time come when various ancestors from different time periods would appear upon the earth through catastrophic events and bring destruction.. they would enter into the minds of the depraved and make them ticking time bombs to kill their families, start wars and spread disease, and that they would finally enter into the souls of the living indigenous peoples around the world who are oppressed, hungry and are suffering and bring a war spirit that will rebel against the world ruling system and bring it to utter destruction.... And things that have never before been thought of or entered into the hearts of humanity will manifest and fear will strike into the oppressors until they panic and strike one another... and the Earthly Mother will send her messengers and began to cleanse the earth with her anti-bodies whom we call disease, virus, tornadoes, floodings, and global warmings in various parts of the earth and the waters will rise and consume a 1/3 of the earth's land that currently exists.... The tired and weak will become angry and began to fight to break the shackles...unrest and civil rebellion would begin at an extreme rate...militaries will begin to turn on their own governments and the chief oppressors will flee to the cold mountains..... many innocent people will be destroyed in several nuclear holocausts... The Missionaries Religion shall become exposed and shall decrease and millions will break off the faith of oppression and the indigenous shall war against them and utterly destroy them and the Children who lie and call themselves Israel and those who seek a land that has been filled with blood and murder and tyranny of the innocent for thousands of years by those who pisseth upon the wall, shall come to an end. for the land they call Israel shall become uninhabitable through radio-active nuclear fallout....Those true sons of light will be removed to the far south and avoid the holocaust ,but shall experience tears and fear as they pray and intercede, but Yahwah will protect them and their cousins.....and no longer shall the world be deceived into looking to Israel as the promised land, for Yahwah has ordained from the beginning the Land of Eden(ADEN) as the true homeland and center of humanity.... And there his people will build his kingdom after the catastrophe.....But for now as a safe haven they, who are selected, are to seek shelter in central America.... And I saw a vision of a mass exodus out of America....After this as they began to tell me to take my foot out of the world and teach and speak only

the prophetic truth of the essene-netzarim in which I had been raised and anointed...they faded and was saying...remember who you are...remember who you are...

Then at the end of the year 2003 in November as I laid in the hospital Yahwah again came to me and gave a disturbing revelation of catastrophe in North America in which mourning shall be unbearable....I became more anxious and frustrated after the ancestors, the Ruwach Qodesh appeared again and reminded me the countdown had begun....and said I had 9months.... And that I would have several witness who would confirm this... to my amazement the next day, it was confirmed to me through a Israelite woman that Yahwah had told me that I had nine months and what the hell was I waiting on to tell the people, for I was the last hope for their salvation from death and destruction.....I cried like a baby in the hospital, and the nurses were trying to figure what was wrong because they heard me but I locked the door and told them to go away for a moment. It was further confirmed through a rabbi that I had nine months left. I was told that am to take myself and those who comprehend the spirit and leave to central America for the time has come and death is knocking at the door and its about to be opened...I was told that the event may happed in such a way that I would even get on a plane(In which I don't ride on) and flee because of the fear that will be struck in all of America's heart... The Land of Yisrael/ (Palestine) will be holocausted and shall become uninhibited... and a nuclear strike in several lands, including America will destroy millions of people and the system will go through a tumbling effect and the ancestors, the malakim, the Earthly mother and the Eternal Elohim will unleash an assault against the oppressors and destroyers of the earth like never seen before..... Through several avenues,,,, War, health, plagues of the animals, weather, earthly instability, spiritual and mental warfare, and actual physical signs!!!!

And now I have held it too long.... The people must know.... If I am wrong , let me die as a liar and a false prophet... let Yahwah strike me down in my shame and rebellion, but if I am right, then you must prepare to obey lest when the ship Is sunk all with go down with it.... The WORD of Yahwah is Alive.....It can give you life and preserve your life....if your obey.....then in Living you can all live.....for there is no reversal of time for it has finally come...The Messiah of Levi and Judah as in the Testaments has been revealed and now is the time.....

If I be a Nabi and true anointed Kohane of Yahwah then let this letter be a witness before the events, during the events and afterwards.... But if I be of Belial then let these words in this letter befall me and only me to eternal damnation, and let it be known that I am delusional and crazy....

Remember Count down from this day.....5months left from March 19,2004

Yahwah help us all
