Edition no 300xxxx

This is a test edition of the newsletter for the purpose of checking to see if the Acrobat conversion is working correctly and if I used the program properly.

NOTHING TO REALLY
SEND JUST NEED
ENOUGH INFORMATION
TO TELL IF THE TEST
WORKED AS IT SHOULD

The above photo is of Angel Savoy, 2002 ProStock Motorcycle Champion, Drag Racing, for the NHRA. Angel has won three national championships after this win. She is only the second female to win three championships with Shirley Muldowney being the other one. She is the only Female to win in the Pro Stock Motorcycle class for the NHRA.

It's not the easiest thing to make up something to write just for a test file.

I got the Adobe Acrobat conversion program and I am just checking to see if it works the way it should and to see if I know how to operate the program.
