

# Irish anarchist email lists

## Ainriail

A moderated low volume news list. There are seldom more than two to three posts a week on this list. They include articles from the anarchist papers and details of local meetings and demonstrations.

Subscribe by sending the message **subscribe ainriail** to **lists@tao.ca**

## Anarchy-Ireland

A discussion list to which anyone can post. Although its normally low volume this means in theory there could be a lot of mail sent to it. Join it by mailing **anarchy-ireland-subscribe@onelist.com**
