

Parent Volunteer Form

Throughout the packet, you will notice frequent statements about parent involvement. This is because **our involvement as parents is very important!!!** There are lots of different ways to help and we appreciate everything. Below you will see a list of activities for which we need you. Every parent is required to volunteer for at least one activity. (Volunteering for more than one is encouraged and highly applauded!!) We are hoping to spread the work and increase the fun. (We are, after all, a lively and witty group, so you'll hopefully enjoy the company while you are contributing to a valuable effort!) Please check off the activities and dates you can help and **return the form to the band director or band parent officer on August 13, 2007** (the first day of band camp). We thank you for your help in making our band strong!
