Sales Agreement !!

Our Puppy Contract !!

Congratulations on your purchase of a puppy from PrimRose Cockers. We hope you share many happy years together. It is our goal to deliver to you the happiest & healthiest puppy possible. With that goal in mind, we offer the following guarantee

To validate your guarantee, we require that you select, schedule an appointment, and visit a licensed Veterinarian of your choice within 4 days of taking delivery of your puppy. If upon examination, your Vet determines any health or genetic problems with the puppy, you must provide a report in writing from said Vet and return the puppy to our location within 8 days of purchase. If our Vet concurs, I will exchange the puppy (subject to availability).

NOTE :

Any health issue must be related to something that we could have avoided - not injury to the puppy after leaving our location. NO implicit guarantees are made in regard to health issues which may arise latter in life of the puppy, since factors such as lack of Vet care, diet, overweight, ect.. can affect a variety of condition and cannot be controlled by PrimRose Cockers.

NOTE :

When you purchase a puppy from us, we expect that you are COMMITTING yourself to the puppies care for it's ENTIRE life. If for ANY reason you feel you must abandon your puppy purchased from us, PLEASE contact us before turning your puppy over to any shelter or pound. We will help you find a hom for any puppy we have raised, if this should become nessary. NOTE: This is not an offer to re-purchase the puppy, but rather an agreement to assist you in finding another home if needed.....
