OBJECTIVE

Seeking a challenging **Co-op position** in the area of Telecommunication Engineering field in **Summer and Fall 2001**

EDUCATION

- [University of Texas at Dallas](#), Richardson, TX. Expected graduation Fall 2002
Bachelor of Science in [Telecommunication Engineering](#). Major GPA 3.55/4.00. Overall GPA 3.40/4.00
- [Dallas Community College](#), Richardson, TX
Core Curriculum
Overall GPA 3.44/4.00; 40 credit hours completed
- [George Wallace State Community College](#), Dothan, AL
Core Curriculum
Overall GPA 3.30/4.00; 20 credit hours completed

RELEVANT COURSES

| | | | | |
|----------------|---------------------------|---------------------------|-----------------------|----------------------|
| Circuit Theory | Circuit Linear, Analysis | Digital System Design | Digital System Design | Software Engineering |
| Electronics | C++ Programming Structure | Anolog Integrated Circuit | Computer Architecture | |

COMPUTER SKILLS

- Operating Systems: Windows'95-98/NT, MS-DOS
- Applications: AutoCAD, Matlab, MapleV, B²Spice, Max+PlusII, MS Offices 97

- Languages: C++, JAVA scripts, and HTML
- PCs trouble shooting and building

EMPLOYMENT HISTORY

- [Maxim Dallas Semiconductor](#), Dallas, Texas

Transmission Product Engineer, Co-op, Summer 1999

Trouble shooting transmission Circuit Pack product as High Density T1 and T3. Analysis all failure from the Circuit Pack. Knowledge iMTN and Fiber Optic environment. Created DC3 system procedure

- [Alcatel Telecommunication](#), Dallas, TX.

Access Product Engineer, Co-op, Fall 1999

Trouble shooting Access System Test and Access Circuit Pack Products. Analysis system and Circuit Pack failures. Functional circuit Test and System test. Fiber Optics environment. Draw Schematic for circuit packs

- **Fannin Auto Service**, Houston, TX. Spring 1997-Summer 1997

Auto Mechanic/Assistance Manager

Electrical trouble shooting. Setup customers appointment

- **AutoZone**, Houston, Texas

Auto Mechanical/ Part Salemen, June 1995 - Summer 1996

Help customers get a right parts and instructure for instzation

Test and work with mechanical problem

Get the customers order and keep tracks parts in stuck

- **Electronic Repair Shop**, Vietnam. Spring 94-Spring 95

Electronic Technician

Performed electrical analysis of failed devices, parts to determine root cause. Tested, fixed, and replaced broken electronic devices for VCR, Cassette, etc.

HONORS

- Placed 3rd in High School Mathematics Competition
- CHS's Honor List 1995-1998

ACTIVITIES

- [VOSA](#) member at University of Texas At Dallas
- Student Support Program: Volunteer as tutor for Disabilities at Wallace Community College in

1997-1998
