

Important Note

IRIX Development Foundation (IDF) and IRIX Development Libraries (IDL) CDs for IRIX 6.5

The IDF and IDL CDs are packaged with the IRIX 6.5 Operating System CD pack and must be installed to use this product with IRIX 6.5.

Those CDs were shipped with IRIX 6.5 to facilitate the use of third-party development tools.

If you have misplaced those CDs and need new copies, please contact customer support.
